LABTRONICS, INC. was established 1 March 1966 to represent manufacturers of precision electronic instruments and components. The company operates in the upstate New York area with offices in Syracuse, Buffalo and Poughkeepsie.

ALFRED E. LEE
President

CENTRAL NEW YORK STATE — Syracuse, Utica, Binghamton.

Al Lee has been marketing electronic equipment in New York State for fourteen years. A graduate of Syracuse University (BSEE 1951), his background includes electrical design work with Douglas Aircraft in Los Angeles and General Electric in Syracuse.

JAMES BISHOP
Vice President

WESTERN NEW YORK STATE — Buffalo, Rochester.

Jim Bishop has marketed electronic equipment in New York State for four years. He studied Electrical Engineering at the University of Buffalo and was formerly employed as a senior engineer at Sylvania and Bell Aerosystems in Buffalo.

RICHARD DRAKE
Sales Engineer

EASTERN NEW YORK STATE — Schenectady, Albany, Poughkeepsie.

Dick Drake is a graduate of the University of Buffalo (BA Physics 1954) and has had five years experience in electronic equipment marketing in New York State. He was formerly a physicist at the Carborundum Company in Niagara Falls.

ANN L. DINE
Secretary-Treasurer

HOME OFFICE — Syracuse.

Ann Dine has been an executive secretary for electronic marketing firms in the Syracuse area for the past twelve years. She is a graduate of the University of Denver (BA 1938). Mrs. Dine handles the administrative work at the home office including order processing, expediting, correspondence and telephone inquiries.
